Official ELECT Advisory

September 28, 2022

SUBJECT: Number of Ballots Ordered for the November 8, 2022 General and Special Elections

WHY THIS IS NEEDED: Va. Code §24.2-612 requires General Registrars to report the number of ballots ordered to the Department of Elections.

ACTION ITEMS: Complete the [Ballots Being Ordered survey](#) for your general and special elections **by Friday, September 30, 2022**. Screenshots of the survey are attached.

For all localities and especially those using Ballot On Demand Printers: Please be certain that you have ordered a sufficient number of ballots to serve all of your registered voters. Using a Ballot On Demand Printer will mean that your office will not have a ready back stock of ballots available to you on Election Day. Please take this into consideration when ordering ballots.
