

Sent to select localities:

9/13/24 UPDATE:

Your locality's 2024 annual letter certifying Local Voting System Security Plan Review was due September 6, 2024, and ELECT did not receive a response from your locality nor a request for extension.

Annual certification statements/letters must be uploaded to ELECT using [a specified Formsite link](#) no later than 60 days before the November elections, annually. Please see Code requirements and submission details in the attached advisories (dated 5/25/24, 8/2/24, 9/4/24).

It should be a priority to submit your locality's certification now. We await your submission. Thank you.

Official ELECT Advisory

DATE: September 4, 2024

SUBJECT: [FINAL REMINDER!] - Submission Process: Certification of Annual Voting System Security Plan Review Due Sept 6, 2024

WHY THIS IS NEEDED: Pursuant to [24.2-625.1\(D\)](#), Electoral Boards must annually review and update as necessary their locality's Voting System Security Plan (*separate from the LESS requirements*) to ensure the security and integrity of its electronic voting systems. Compliance with this requirement is certified in a letter submitted by the Electoral Board to the Department of Elections (on letterhead), dated and signed by all members of the board.

HOW THIS AFFECTS YOU: Annual certification statements/letters must be uploaded to ELECT using a specified Formsite link no later than **60 days before the November elections**, annually.

NOTE: This letter should *not include* any additional information surrounding the security posture of the locality or systems specifically. The locality should **not** upload their Voting System Security Plan as part of this process. Only submit the annual certification letter with the Electoral Board's attestation that they have reviewed/updated their locality's Voting System Security Plan for the year.

RESOURCES: For more information, please review:

- [ESEC 101 Voting Systems Security Standards training](#) (General Registrar Certification Course training module revised 5-2024)
- [Voting System Security Program - Example Plan](#)

ACTION ITEMS: **By September 6, 2024**, ELECT requests submission of your locality's 2024 annual certification letter as follows:

1. Electoral Board members should certify via signed letter (on letterhead) their annual review/update of the locality's Voting System Security Plan pursuant to Va. Code [§ 24.2-625.1\(D\)](#) (**Reminder, this letter should not include the plan itself, nor any additional information surrounding the security posture of the locality or systems, specifically.**)
2. General Registrar should upload the Electoral Board's annual certification letter to Formsite, here: 

3. For system security, please continue to submit all LESS documents via JIRA ticket (JIRA > Security Services > LESS Compliance).

CONTACT: **For Security matters:** Submit questions via JIRA ticket to the Security team (Go to JIRA > select "Security Services" > submit "Security Question")
